What personal data does www.crossinvestzh.ch collect and purpose of processing

The website www.crossinvestzh.ch collects data exclusively for storing data in log files that are indispensable for monitoring the proper functioning of the website itself and for the prevention or detection of cyber attacks. These are data that make the person identifiable only indirectly, such as the IP address or domain names of computers and terminals used by users, which are kept only for the time

necessary to fulfill the purpose for which they were collected. Any legal requirements or other constraints may extend the length of retention.

The www.crossinvestzh.ch website does not collect data for the purpose of tracking, analyzing behavior and profiling visitors. Please refer to the cookie policy document available at www.crossinvestzh.ch for further details.

Recipients of collected data

Personal data recorded by the www.crossinvestzh.ch website are handled by the Data Processor for the management of the Infomaniak Network SA web platform exclusively for the purposes stated above.

Data security

Data communication on www.crossinvestzh.ch is done in a secure mode using the TLS protocol combined with the highest level of encryption supported by the user's browser. To know whether a web page is transmitted in encrypted form, simply check whether a key or closed padlock symbol appears in the address bar of the browser in use.

Exercise

The servers for the operation of the web pages of the website www.crossinvestzh.ch are operated by the external partner Infomaniak Network SA, the Data Processor, and are located in Switzerland. The privacy policy of Infomaniak Network SA is available at the link <https://www.infomaniak.com/it/cgv/informativa-sulla-privacy>

Users' rights

The collection of data for the preparation of the website and the storage of data in log files are indispensable for the operation of the website. Users therefore have no right to object.
